### **Active Parenting Now** (for parents with children ages 5-12)

**ACTIVE PARENTING NOW** helps parents learn to raise responsible, cooperative children who are prepared to meet the challenges of the teen years. Parents will develop skills that will help them cultivate cooperation, responsibility and self-esteem in their children. They'll also learn positive, non-violent discipline techniques so they can avoid power struggles.

### **Active Parenting of Teens** (for parents with children ages 12-18)

**ACTIVE PARENTING OF TEENS** helps parents meet the challenges of parenting teens and preteens in today's turbulent society. Parents will develop the skills they need to communicate effectively with their teens, encourage better behavior, use positive discipline techniques and teach responsibility.

Each session also helps parents learn how to address sensitive issues that are vital to today's teens, such as:

- drug & alcohol use
- sexuality
- violence
