

Promoting Functional Families through Words and Deeds

INDIVIDUAL DONOR FORM

PRACTICAL SOLUTIONS is committed to “promoting functional families through words and deeds.” We fulfill this corporate mission through our four service areas. Our belief is that parental figures (i.e., fathers, mothers, grandparents, surrogate parents) play a key role in the temporal and eternal prosperity of their children. They also offer the most viable prevention strategy against our children’s involvement in self-destructive behaviors (e.g., alcohol/drugs, pre-marital and/or unprotected sex, and violence). When parents become the primary influencers of their children’s attitudes and behaviors, the primary beneficiary is society.

Your financial contribution will enable us to offer services provided by our **Nonprofit Services Division at no cost** to children, youths and parents. Some of the activities in need of the most funding include:

- **Parent education workshops** (using three (3) *Active Parenting* curriculums);
- **Driven to Thrive workshops** (for middle and high school students);
- **Seeds of Collective Prosperity Youth Leadership Conference and Opportunity Fair.**

If you would like to **SUPPORT OUR EFFORTS** through the use of your time, talent (i.e., volunteerism) and/or treasure (i.e., financial contributions), please complete and detach the form below, and then mail it with your *tax-deductible donation* to:
